Junior yearling daughters of Cruggleton Allardice, owned by Marellbar Farms, Libertyville, Illinois. Lots 24 and 25 are from the same herd, and Lot 34 has a calf at side by a son of Cruggleton Allardice and will be rebred to the same bull.

Sure It's Your Best Move

If you like good Shorthorn cattle (and who doesn't) . . . If you need more of them to consume the pasture and roughage on your farm that will otherwise go to waste . . . and if you feel that the prices quoted in your section are a bit steep . . . then your best move is to attend the "Sale of Satisfied Buyers" at Abingdon, Illinois, on Friday, October 6th. It's a sale that was planned with YOU in mind . . . because we know that most good cowmen like to save a little money by buying the richly bred kind in unpampered condition. We're going to sell 24 bulls and 41 females . . . and they come from the best herds in three states. You'll like them . . . and you'll like the men who are selling them.

The sale will begin promptly at 12 noon C.S.T. Bulls will be sold first. The sale of females will begin at approximately 1:30 p.m., C.S.T.

Standard Guarantee Endorsed by American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

Edellyn Royal Leader 126th is a son of the "All-American Favorite" himself. He is a product of the Edellyn Royal Leader-Calrossie Mercury cross from that great family of cows that goes back to Collynie Broadhooks 12th. No bull has more individual merit in his pedigree from standpoint of good cattle that have demonstrated their breeding ability by producing some of Edellyn's highest selling cattle. No Shorthorn family in America can match this Broadhooks tribe. This bull was a little young for our annual sale, but he would have fitted right in there.

Command's Victor is a very good colored roan, short-legged, with a good head, deep body, plenty of bone and smooth. He is one of the best bulls I have ever consigned to Abingdon. He is out of a wonderful cow which I have had several chances to sell to most attractive offers.

Edellyn Twofold Mercury. Grand champion bull of the 1947 Iowa State Fair. Reserve champion 1947 Illinois and Indiana State Fairs. Sire, Edellyn Diamond Mercury by Calrossie Mercury out of the dam of Edellyn Royal Leader. He is the sire of Lot 15.

Two Superb is by an Edellyn bred bull that was repurchased by Edellyn in the Ilhamwood Dispersal last year. He had been purchased originally in a Congress sale at \$3,000.00. Edellyn Twofold Mercury was grand champion at the Iowa State Fair in 1947 and reserve champion at Illinois and Indiana. He has a double infusion of the improving blood of Calrossie Mercury intermingled with that of two great cows, Coldoch Bonny Rothes, dam of Edellyn Royal Leader, and Blood Royal 13th, foundation cow of Edellyn's Princess Royal family.

Maplevalle Vanity Queen was reserve champion female at the 1943 Illinois state sale and produced a first prize-winning heifer in the 1948 state sale. She is one of our best breeding cows and always has a good calf. She has a red bull calf at foot by Nugget's Image and is bred to Prince William 14th.

**The Place To
Buy One Or
A Carload**

These steers were good enough to win championship in the Shorthorn fat carlot division at the 1949 International Live Stock Show. They were developed to feeding age on grass and forage that would otherwise have gone to waste and their mothers were maintained at low cost on the same rations.

Those who are interested in the Abingdon Sale are very proud of these steers because they were all out of Scotch Shorthorn females purchased in the "Sale of Satisfied Buyers" or out of daughters of the original females purchased in this sale. The steer production and feeding program followed at the Thos. E. Wilson Farms in Iowa that resulted in this champion Shorthorn carload can be followed just as profitably on YOUR farm . . . and the income of \$522 per head can just as well be YOURS.

There are 41 females in this sale capable of producing champions and 24 bulls capable of siring them.

—You Can Buy With Perfect Confidence at Abingdon—

What is “The Sale of Satisfied Buyers”?

Is It An Empty Name?

The name “The Sale of Satisfied Buyers” has been earned over a period of thirteen years. Forty-four auctions and \$825,000 worth of profitable, dependable Shorthorns defends its reputation. This enviable record has inspired confidence on the part of the buyers and sellers. We feel that the cattle to be offered on October 6th will add further prestige to the name. Again we repeat, “You can buy with confidence at Abingdon.”

Here's What All this Means To You . . .

1. It means that this group of consignors, proud of the record that has been achieved will consign only the kind of cattle that will further strengthen the reputation of this sale.
2. It means that our policy of offering cattle in thrifty moderate flesh, rather than the “over-pampered” kind, has proved a success.
3. It means that hundreds of different buyers have displayed their confidence by patronizing this sale and that many good herds have been founded in their entirety through Abingdon purchases.
4. It means that we have offered the kind of cattle buyers have wanted at exactly the right time they wanted them.
5. It means that healthy, profitable cattle have and will continue to be offered, and that the management and consignors have been fair in their treatment of buyers.

—Cattle Correct For Your Needs...Prices Correct For Your Purse—

Abingdon is convenient to reach for all buyers. It is on the Kansas City branch of the C. B. & Q. Railroad. It is located 12 miles south of Galesburg which is on the main line of the C. B. & Q. and Sante Fe Railroads. Frequent busses run from Galesburg to Abingdon but please remember that we will be glad to meet trains in Galesburg if advance notice is given.

It is easy to ship cattle from Abingdon by rail or truck to any point in the country. Plenty of truckers are available for long distance hauls in any direction.
